Site (Nearest address and grid reference):

LPA TPO Ref: 552-E

Instruction:

I have been instructed by Gateway Property Management to submit an application to Eastleigh Borough Council to complete the work described in the table below.

The trees were highlighted as concern when R.Anderson from The Tree Consultants under took a survey of the managed areas

Tree Details

Tree No./Ref	Species	Tree details, works, and reasons
T2	Austrian Pine	Remove Tree
T4	Ash	Remove Tree
T5	Ash	Remove Tree
T6	Ash	Remove Tree
T7	Oak	Prune to give 1.5m clearance to the streetlight. Crown lift to give 3m clearance.
T8	Ash	Remove Tree
T9	Field Maple	Remove Tree
T11	Scots Pine	Remove Tree
T16	Ash	Remove Tree

The table above outlines the works we intend to complete. These works have been recommended in the recent tree report. There are additional recommended works within the report that we will also complete; however, the trees concerned are dead, which makes them exempt from requiring consent

I have provided a copy of the tree report, which has the findings, recommendations and also the locations of the tree.

If you require any additional information please do not hesitate in contacting me.

Yours sincerely
