Address	15 BARRINGTON CLOSE, EASTLEIGH, SO50 4SH					
Proposed work	1no. Oak (T1) - Reduce south-western section of canopy over property to provide a 2m clearance, limiting pruning diameter to 50mm.					
Assessment Date	25/11/2025					
Officer comments	TPO 322-E (G16) 2no. Oak T1 is a medium sized oak providing high public amenity. It appears healthy. There is currently a slight encroachment onto the block of maisonettes. The proposed crown reduction on the south-western to provide a 2m clearance from the building is considered a reasonable management of the tree in its environment to abate the nuisance. The works will not affect the tree's public amenity significantly, nor will they cause any long-term detrimental effect on its health and vitality. Cut size is limited as per the applicant's proposal.
