

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100351					
Surveyor	IF					
Address	11A THOROLD ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5BS					
Proposed work	1no. Willow (T1) - Re-pollard by removal of all re-growth to the previous pruning points (up to 3m) in order to maintain the tree to its surroundings and in a safe condition. To carry out annual reduction tree given its fast-growing nature. Growth of the tree means that telephone cables and street lighting may be compromised. Annual reductions (where necessary) to ensure tree is kept in good condition and not impact neighbours detrimentally.					
Assessment Date	28/11/2025					
Officer comments	TPO 254-E T33 A weeping willow to the front of the driveway provides high levels of amenity due to its location next to the road. The owners would like to take the tips off by up to 3m but not necessarily 3m all around. The tree was previously pollarded plus considering the species, the proposed pruning is considered a reasonable management of the tree in its environment which should not have a long-term effect on its health and vitality.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area	
					Raise no objection	TPO
	X					
Decision notice	Consent to: 1no. Willow (T1) - Re-pollard by removal of all re-growth to the previous pruning points (up to 3m)
