

Disclaimer

This drawing is generated from a federated Revit model, and as such the structural and M&E elements shown were not modelled by Boyle & Summers.

Boyle & Summers do not take any responsibility for the design of the other consultant information referenced into this drawing and all such information should be sourced / interrogated from drawings / models provided by the companies responsible for their creation.

Note A: These drawings are subject to review by the Fire Engineering Consultant. Input is required to confirm the fire strategy, escape provisions, and overall compliance with current fire safety regulations.
