Proposed work	1no. Walnut (T1, located in rear garden of property) - Reduce entire canopy by 2m as needed.					
Assessment Date	04/12/2025					
Officer comments	TPO 383-E (T5) Walnut tree provides medium amenity. Spoke to the owner over the Ring doorbell they allowed to access the garden through the gate. He explained the neighbours asked for works to be carried out. T1 overhangs the adjacent properties 11 and 13 Sydney Road significantly. Previously reduced, the proposed works will remove the new growth and are not likely to cause any long-term detrimental effect on the tree's health and vitality.
