Dear Sir /Madam,

Application to Discharge Condition No.3 of Planning Permission Reference: F/25/99361

Construction of a vehicular access and ancillary works

Vehicular Access off Satchell Lane to Esso Fuel Compound - Satchell Lane, Eastleigh

We are writing on behalf of Esso Petroleum Company Ltd ("Esso") to submit an application to discharge Conditions No.3 attached to planning permission reference F/25/99361.

Condition 3 states:

No work shall start until the developer has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation and recording which has first been submitted to and approved in writing by the Planning Authority.

Reason: To ensure that the archaeological interest of the historic bank and ditch is properly safeguarded and recorded.

In order to discharge this Condition, Headland Archaeology has prepared the following documents which are submitted in support of this application:

SLEH25-WB-WSI-SC-v1.2 (004) – WRITTEN SCHEME OF INVESTIGATION – WATCHING BRIEF

If you any queries, please do not hesitate to contact me.

Yours faithfully,
