

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100558					
Surveyor	IF					
Address	1 CHERRYWOOD, UPPER NORTHAM ROAD, HEDGE END, SOUTHAMPTON, SO30 4LA					
Proposed work	1no. Beech (T1) - Reduce Eastern aspect of canopy growing towards property by 2.5/3m back to suitable growth points. Reduce in height by 2m to match. Tree has grown asymmetrically due to surrounding vegetation suppression and would benefit from balancing the crown away from the property.					
Assessment Date	07/01/2026					
Officer comments	TPO 757-E (A1) T1 is part of the woodland at the rear of the houses in Cherrywood. There was no answer at the door so could only view from outside the property. Some of the canopy is visible above the roof but very limited public amenity. The proposed works are not likely to affect the amenity significantly and are considered a reasonable management of the tree in its environment. The works are unlikely to cause any detrimental effect to the tree's long-term health and vitality.
