

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100588				
Surveyor	IF				
Address	South East of Wildern Farmhouse, Hedge End, Southampton, SO30 4QR				
Proposed work	1no. Group Oak (G50) – Reduce lateral branches extending over the garden by up to 3m, ensuring the canopy retains a natural and balanced form. The woodland-edge trees are developing asymmetrically with growth biased towards the property. The reduction will help re-balance the canopies, minimise excessive branch extension, and maintain the long-term health and structure of the trees.				
Assessment Date	07/01/2026				
Officer comments	TPO 93-E (G19) Application submitted by HETC (the owner of the trees) A group of mature oak trees belong to a larger woodland on the boundary with the farmhouse off the main road along the track. They overhang the garden and the proposal is to prune the overhang by up to 3m. The works are considered reasonable and will not affect the trees' amenity neither they would cause a detrimental effect on their long-term health and vitality.
