

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100636					
Surveyor	IF					
Address	Land off Shamblehurst Lane South, SO30 2FN					
Proposed work	1no. Group Willows - Crown raise the trees over the road to a height of 4m. The works will be undertaken from ground level. Trees are hanging low over the access road risking vehicle damage.					
Assessment Date	07/01/2026					
Officer comments	TPO 499-E A1 all tree species A group of willow trees overhanging the access road near the open space (photos provided as part of the application). The proposed works are required to provide clearance over the access road and are not likely to cause any long-term detrimental effect on the trees' health and vitality, the public amenity will not be affected either. Considered a reasonable management of the trees in their environment.
