Dear Sir or Madam,

Our ref: **5374195**

Your ref: **RM/25/100614**

Thank you for your consultation.

Natural England has previously removed our objection to the wider One Horton Heath development (O/20/89498) on 21/7/25 (our ref. 519400).

We are satisfied that the submitted documents 'Upper Acre – Mitigation to New Forest Protect Sites – December 2025' and 'Upper Acre – Nutrient Neutrality Study – December 2025' reflect the mitigation as detailed in the appropriate assessment (11/7/25).

We have no further comments to make

Kind regards
Camilla Davidge

Natural England offers two chargeable services - the Discretionary Advice Service, which provides pre-application and post-consent advice on planning/licensing proposals to developers and consultants, and the Pre-submission Screening Service for European Protected Species mitigation licence applications. These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.
