Dear Rebecca,

Reference: F/25/100141 - 192 residential dwellings at Land south east of Kings Copse Avenue, Hedge End

Thank you for consulting the County Council as Local Education Authority on the above planning application.

The proposed development of 142 eligible dwellings would usually be expected to generate a total of 43 additional primary age children and 30 additional secondary age pupils. This is based on a rounded figure of 0.3 primary age children per new dwelling and 0.21 secondary age children per dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary age children on those developments.

The development site is served by Kings Copse Primary School and Deer Park and Wildern Secondary School. These schools are expected to be able to accommodate the pupils generated from this development. Therefore, no contributions will be sought by the LEA

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me via email at: strategicplanningunit@hants.gov.uk

Yours faithfully,

Amanda Vaughan
On behalf of the Director of Children's Services
