

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/25/100597				
Surveyor	IF				
Address	115 KINGSWAY, CHANDLER'S FORD, EASTLEIGH, SO53 5DU				
Proposed work	2no. Yew (on border between 115 & 113 Kingsway) - Crown reduction of 2.5 meters. The trees have grown considerably in the last 12-13 years and now it is not possible to get a signal to the satellite dish installed on 115 Kingsway.				
Assessment Date	08/01/2026				
Officer comments	TPO 259-E T55, G20 The 2 yew trees are located on the boundary between 115 and 113, it is evident that trees used to be maintained as a hedge but have been left to overgrow – the most recent consent to reduce to a hedge size was given in 2013 (T/13/73381). The edges are in a very close proximity to the property 115 as observed during the site visit. The proposed works are considered reasonable and will not affect the character of the area significantly.
