Subject: RM/25/100614 - The Folds, car parking numbers

Hi Rebecca

I am writing to you regarding the above RM application.

Upon review we noticed an error in our submission documents in relation to car parking.

For confirmation, The Planning Statement and Transport Assessment refer to a total of 921 car parking spaces (767 allocated on or off plot; 154 visitor) and this is the correct number.

Unfortunately, there is an error in the submitted Design and Access Statement (page 97) which states that there would be 939 spaces (776 allocated on or off plot; 156 visitor and 7 car club).

Please accept this email as confirmation that the numbers in the Planning Statement and Transport Statement are correct and should be used going forward during the application determination period.

Regards
Pete
