For attention of Mr Vallis

Dear Sirs

Re: F/25/100674 At Land south of Grange Road, Netley Abbey

Retrospective application for extension to area of hardstanding

In regard to application F/25/100674, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

It is understood that the site currently facilitates an dog exercising facility which benefits from a planning permission, and that no change in access into the site is proposed as part of this current application.

Given this, it would appear that the hardstanding area, which is to be utilised for car parking, is a simple betterment of the site and its facilities. Onwards, the hard surface will help prevent mud / dirt from being tracked from the site onto the highway which is beneficial to the wider highway network and its users.

Yours faithfully,

Matt Grantham
