PROPOSED WORKS
(Footprint outlined in blue)

Single storey side extension
Masonry walls comprising brick plinth with rendered masonry over to match the existing.
Existing roof to be replaced to provide sufficient headroom, ridge will raise by 1100mm, and extended over the extension.
Front and rear facing dormers clad with horizontal board.
New central entrance section in grey face brickwork.
Roof clad with concrete interlocking tiles.
Existing solar panels mounted on the rear roof face to be mounted on the flat roof as shown.
