For attention of Mr Huckfield

Dear Sirs

Re: DC/26/100835 At BARTON PARK, CHICKENHALL LANE, EASTLEIGH

Application for discharge of condition 10 (external lighting) of planning permission F/24/97441 (Elevational alterations to Unit 6 including addition of cladding and changes to fenestration, alterations to roof with addition of solar panels, and internal works. Demolition of Unit 10 to form new service yard for Unit 6 to include resurfacing and drainage works, and erection of palisade boundary fencing and access gates.)

In regard to application DC/26/100835, and the discharge of Condition 10 – External Lighting, there would be no objection to the discharge from a highway perspective.

The application site is well off of the adopted highway and as such will have no impact on passing highway users.

It would however be recommended that the lighting is angled downwards sufficiently so as not to distract passing users in the private internal roads of Barton Park Industrial Estate.

Yours faithfully,

Matt Grantham
